<p>Venngage</p> <p>Venngage is an online tool for creating infographics, reports, and data visualizations. Not a designer? No problem. Whether you're creating infographics, presentations, reports or social media visuals, our customizable templates will help you become a design wiz in a few clicks. First, users choose a template or color scheme, then they can add text, change fonts, and add charts and icons (among many other features). Users can save the infographic as an image or download it as a PDF.</p> <p>Venngage is free but does require you to create an account. To access additional design features, you can upgrade to a business or premium plan for a flat monthly rate.</p>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
<p>YouTube</p> <p>YouTube is a free video sharing website that makes it easy to watch online videos. You can even create and upload your own videos to share with others. As an instructor, YouTube can be a great location to find instructional videos for how to perform a skill or provide a helpful visual when explaining the body systems. You can embed the YouTube video within your presentation or toggle between PowerPoint and the website.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
